

April article :

After the sudden restriction of movement due to lockdown owing to COVID crisis, every activity had come to a halt. But chess slowly found its way through online engagement as it is an indoor game and easily accessible to all.

Chess24x7, meanwhile decided to conduct its internal tournament in a new format – ONLINE INTERNAL, on 12th April 2020. It was a new experience for everyone ; students, parents , coaches, our team members and students. But the response from children and parents was enthusiastic . Good number of kids participated in the event and made it an exciting tournament.

As it was the 1st Online Internal tournament , the entry was free for all. Usually, kids are showered with trophies and medals in a chess tournament , but no physical presence meant something new had to be come up with. So chess24x7 arranged for cash prizes for the tournament winners, which could be distributed with ease .

Children, nevertheless, were thrilled to compete with their friends when there wasn't a lot to do during the lockdown. There was one common category for all the participants, with prizes for the top 3 .

Here is a list of prize winners :

Rank	Name	Cash Prize
1 st	Husain Nakara	Rs. 600
2 nd	Harsh Kakaria	Rs. 500
3 rd	Atharva Samaiya	Rs. 400
